for i do not seek to understand so that i may believe but i believe so that i may understand for i believe this also that unless i believe i shall not understand does god exist can we know anything about god s nature have we any reason to think that the christian religion is true what is truth anyway do human beings have freedom of choice can they have such freedom in a world created by god these questions and others were ones which anselm of canterbury c 1033 1109 took very seriously he was utterly convinced of the truth of the christian religion but he was also determined to try to make sense of his christian faith recognizing that the christian god is incomprehensible he also believed that christianity is not simply something to be swallowed with mouth open and eyes shut for anselm the doctrines of christianity are an invitation to question to think and to learn anselm is studied today because his rigour of thought and clarity of writing place him among the greatest of theologians and philosophers this translation provides readers with their first opportunity to read all of his most important works within the covers of a single volume about the series for over 100 years oxford world s classics has made available the widest range of literature from around the globe each affordable volume reflects oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

originally published oxford new york oxford university press 1998

since slavery times african american religious thinkers have struggled to answer this question is christianity a source of liberation or a source of oppression in a study that reviews representative thinkers over the last fifty years mark chapman reviews the variety of ways that african americans have addressed this problem and how it has informed their work and lives beginning with benjamin may s the leading negro theologian of the post world war ii period chapman explores the critical implications of this question right up to the present day the pivotal turning point in this period is the emergence of the black power movement in the 1960s sparked in part by the challenge of the black muslims for whom christianity was simply the white man s religion inherently racist and oppressive the era of black power saw the rise of militant black theologies as well after analyzing the work of the muslim elijah muhammad chapman turns to the pioneering work of black theologians albert cleage and james h cone chapman demonstrates the differences but also uncovers surprising lines of continuity between the older negro theologians and the later black theologians particularly in their efforts to uncover the truly liberative potential of christianity christianity on trial concludes by exploring the recent emergence of womanist theology as articulated by delores s williams and other african american women womanist theology challenges not only the patriarchal aspects of historical christianity but the same limitations in previous black theologies
